FAQs

Is my child eligible to take part?

Any young person within the McLaren High Catchment is welcome to take part, as long as they meet any specific criteria for the activity.

What if my child is not in the correct age/year range?

Unfortunately we do stick to the age ranges and school years specified. We only work with young people from P6 and up.

How do I sign up?

We have an online booking form, where you can sign up for any sessions that you wish to attend.

How much do the activities cost?

All our summer activities are free of charge (including transport to and from Dounans).

How will places be allocated?

Places will be allocated on a first come, first served basis. In the event that we run out of places for a session, we will introduce a waiting list. It's also worth noting that we may cancel sessions if there are not enough young people signed up.

What if I am unable to attend a session?

If you've signed up for a session that you can no longer attend, we ask you to contact us as soon as possible. This will allow us to allocate your place to someone else so that they don't miss out.

What if I still have questions?

If you're unsure about any of our Summer sessions, or wish to speak to a member of our youth team, please contact us using one of the methods below.
