

CYP Youth Club

General Information

Arrival

Please try not to arrive too early, as it may not yet be possible to access the building.

Clothing

A lot of our activities involve craft materials or take place outdoors.

We'd always recommend wearing older clothes, that you don't mind getting a bit dirty.

Facilities

We have toilets (including an accessible toilet) and a dedicated area for storing personal belongings. Unfortunately, we don't currently have a changing area. Our tuck shop is not currently available, although we can still provide diluting juice.

Behaviour

We expect all participants to treat each other (and other staff/volunteers) with respect. This also applies to sticking to the latest Covid guidance. We have a warning system in place for more minor/isolated incidents, to help remind everybody of these expectations.

Mobiles/Smart Devices

We don't currently allow the use of mobiles or similar smart devices during sessions. This is in no small part due to concerns around privacy and photo/video recording. Any young person needing to contact a family member is of course welcome to do so.

Activities

At the moment, we'll have a set activity available each week (for example: outdoor games or make-your-own slime). Please consider whether you're interested in taking part in the chosen activity, as we won't have alternatives available.
